A long hall stretches before us. A door ponderously swings shut behind, a door which will never be reopened. We of the Last Roundup invite you to take one last glimpse backward with us through that door before it closes, and we must turn and walk down that hall.

# THE LAST ROUNDUP 1965

**Dedication**

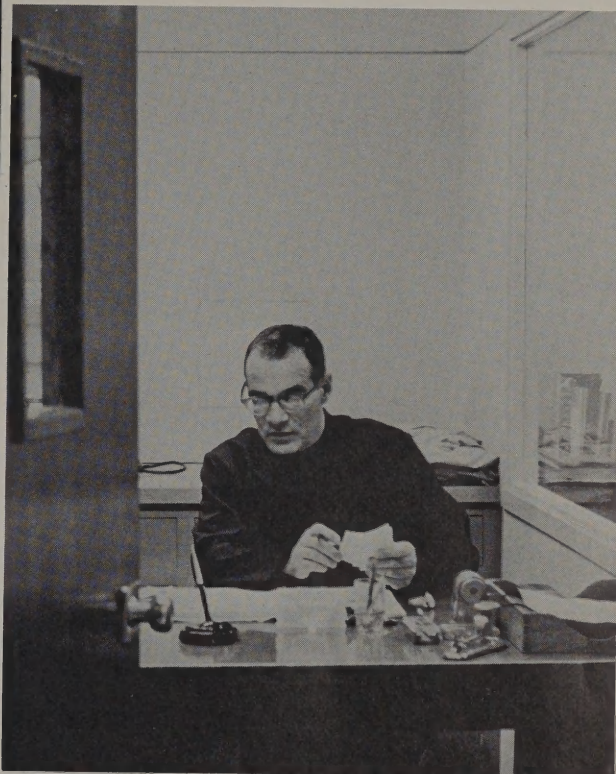

The Reverend S. Joseph Rivoire, S.J.

This nineteen sixty-five issue of the Last Roundup is dedicated to the Reverend S. Joseph Rivoire, S.J. To most of us he seems part of the very fabric of Jesuit High School. Both as a leader and an administrator he has endeavored to lift Jesuit to ever higher levels of excellence in producing not only educated men but educated Christian men.

With this in mind we gratefully dedicate this book to you, Father Rivoire, in recognition of your efforts, in remembrance of your efforts, and as a thank you for your efforts.

## The President's Message

**Very Rev. Robert A. Tynan, S.J.  
President, Jesuit High School**

Dear Graduates:

The happy association of your four years at Jesuit is not terminated without some nostalgia on the part of your classmates, the faculty, the administration and the staff.

It is our prayer that your future will be filled with the service and success that has marked your days at Jesuit.

Judging from your years here, we feel that your future is unusually bright. It is our hope that we will have the privilege of enjoying your loyalty and devotion. We are determined to deserve it.

Sincerely yours in Christ,

R. A. Tynan, S.J.

Dear Graduates of 1965:

You are living in a social environment that is crying for moral, civic, and intellectual leadership. Your four years at Jesuit High School have been an attempt on the part of the faculty to develop your talents and qualities of leadership that will help you exercise this type of needed leadership. Therefore, it is with pride that we look forward to the day when your moral, civic, and academic achievements will redound upon and be a fulfillment of the training you received at Jesuit High School.

May God give you the courage and the moral strength to meet the many challenges that lie ahead of you. And may you always remember that it is only in union with Him that you will achieve the goals of life pointed out to you during your high school years.

May God bless you and grant you happiness and success in your future endeavors.  
Sincerely in Christ,

Albert C. Louapre, S.J.  
Principal

As the largest organization in the school, the members of the Student Patrol came in contact with each and every one of us, whether patrolling the halls at lunchtime or assisting at precinct elections, a task for which the Patrol later received many letters of commendation. It represented the school at traffic safety meetings, and kept order at the Christ the King procession, among many other time-consuming jobs.

## Jesuit Rangers

## 1964 Jesuit Rangers

The nineteen sixty-four Jesuit Ranger Football Squad enjoyed one of the most successful seasons in the history of the school. For new head coach Gary Pasqua and assistant Rufe Brewton it was a superlative beginning. They truly supplied that "Ranger" spark which lifted this year's Rangers to the top.

Under Coach Pasqua Jesuit employed the two platoon system making full use of the abundant material that made up this year's squad. Boasting such stalwarts as Catholic All-Americans Bill Lalla and Tom Higgins, and Raleigh Davis, Rick Erler, Tom Hoekstra, Bill DeOre, Tim Furlong, Mike Moser, Rick Sirchio, Bill Malone, Danny Rohmer, and Dick Harkey, the offense provided the punch that gained over 3000 yards total offense, 11 victories, and 331 points. The defense consisted of Mike Everett, Pat Lindley, Rick Baker, Joe Cortemeglia, Mike Boyle, Dave McDonald, Bob Greathouse, Mike Belancsik, Mike Gallagher, Joe Molina, Dick Harkey and Jerry Ryan. They did their job well all year producing four shutouts and holding Ranger opponents to only 101 points through the year.

The much improved Ranger squad sported a new pro-set offense and Coach Pasqua's forty-four defense. They proved too much for eleven opponents, carrying the Rangers to the district title and the state finals.

## Rangers Drop Central, 21-8

Jesuit opened the season against Central Catholic in San Antonio. Behind 8-7 at the half, the Rangers threw off their first-half jitters and muscled the Buttons off the field. The passing of Bill Lalla, the clutch running of Danny Rohmer, and a strong second-half team effort combined to give Coach Pasqua and his charges the first of their season's many victories.

## Kirwin Capsized, 37-14

The Rangers came home to host the Kirwin Buccaneers. Sharp offense and sound defense combined to give Jesuit their second victory of the season. Playing before one of the best opening crowds here at Jesuit, the Rangers unveiled their new all-blue uniforms.

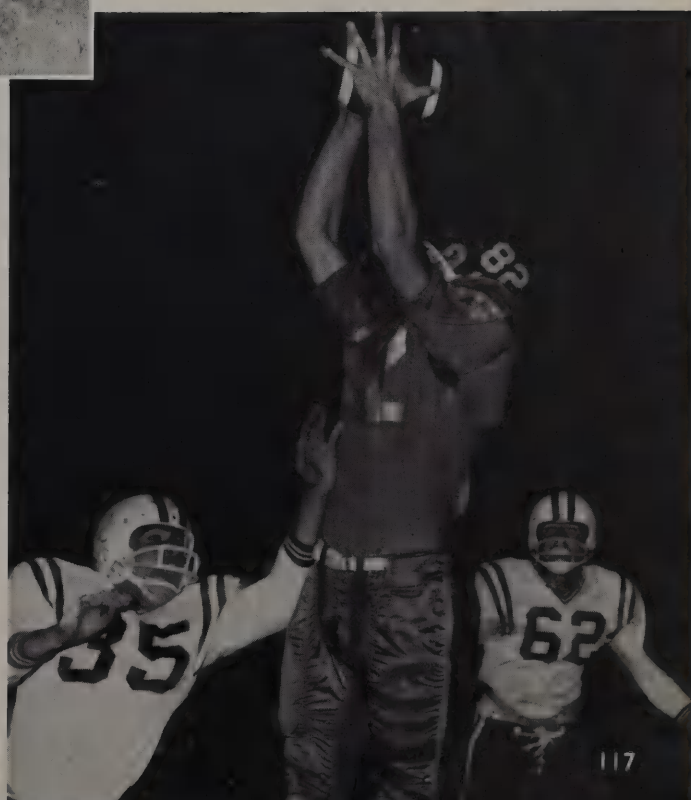

## Rangers Maul Lions, 55-12.

"Do the Rangers pray all day or practice some?" inquired one St. Mark's fan. Jesuit answered that question quite clearly that Friday night. Undefeated and appraised as one of the best teams in St. Mark's history, the Lions were picked to gain their first victory over the Rangers since 1957. But Jesuit had different ideas as the team jelled and produced a true effort to burst the Lions' balloon.

## Cowboys Scalp Indians, 31-6.

It was the old game of cowboys and Indians as the Rangers picked up victory number 4. Led by captains Bill Lalla, Mike Everett and Tom Higgins, the Ranger air and ground forces outmanned the hapless Waxahachie Indians. Lalla and Higgins made it clear that any opponent would need a stiff secondary to withstand the Ranger barrage.

## Rangers Bomb AAAA University High 28-0

The Ranger air force amassed twenty-eight points the first half and then rode their fine defense to a fifth straight victory. Lalla and Higgins and the other Ranger receivers buzzed the Trojans out of the stadium while Everett and Lindley kept the defense secure in the trenches all night.

## Tigers' Homecoming Spoiled 12-6

Determined to keep their homecoming sacred and upset the undefeated Jesuit, the Terrell Tigers kept the Rangers at bay most of three quarters. But Jesuit's strong offensive and defensive lines spelled the difference as the Rangers skinned the Cats.

## Rangers Topple Powerful Lancaster Team 26-21

Local papers billed it as the game to watch as mighty Jesuit and powerful Lancaster squared off in Tiger Stadium. Facing their best opponent of the season, the Rangers found themselves behind most of the night till Danny Rohmer ploughed over for the winning six points in the last thirty seconds. Heartened by the return of injured Tom Higgins, the Rangers slugged it out with the Tigers all night long as Jesuit preserved its perfect record.

## State Champs Rocked by Rangers 29-0

For the first time in three years Jesuit topped Reicher of Waco, doing it in fine style. Leading 7-0 at the end of a defensive first half, the Rangers took the field in the second and tallied twenty-two points. While the Ranger offensive clicked, the fine defensive held the state champs off all night for their second shutout of the season.

## Rangers Sink Hapless Vikings 40-0

Playing at home for the last time in Highlander Stadium, Jesuit soundly beat Fort Worth Nolan. Lalla and Higgins had a fine night as did the defense which notched its third shutout of the season. The stage was now set for the district title game with Bishop Dunne the following weekend.

## Rugged Defense Smashes Dunne, 26-0, for First Undefeated Season in Five Years

The Dunne Falcons talked a fine game that week preceding their encounter with Jesuit. While professional opinion rated the game a tossup, local sentiment bent toward Bishop Dunne. But tuned to a fine pitch by three years of waiting to prove their superiority, the Rangers caged the Falcons and sent them back to the aviary to age for another year. The Falcons played the Rangers even the first quarter, driving within field goal distance, but after the Rangers scored early in the second period, the Falcons had had their day. Bishop Dunne double-covered end Tom Higgins, but Lalla hit his other receivers, Sirchio, Lindley, and Ryan as he completed eleven passes that night. The defense had a fun night recovering three fumbles and intercepting two passes. For Jesuit it was victory number ten, the district title, and the right to step into the state playoffs.

## Rangers Handcuff Central in Semi-Finals, 14-8

If anyone had the misconception that Jesuit only had an offense, the state semi-final game proved the contrary. Returning to San Antonio for a second engagement with Central Catholic, the never-say-die Rangers rode their lion-hearted defense by the Buttons, pulling the game out in the waning seconds. While the offense spluttered through the night, the Ranger defense dug in and held on for victory number eleven.

## Rangers Tossed for State Championship 26-12

This was the heartbreaker. After maintaining a perfect season record, and beating Central Catholic in a very close semi-final game, Fate seemed to be against the mighty Rangers this night. All the Jesuit fans who had gone down to Houston to see the Rangers play St. Thomas could not believe their eyes as the Rangers were dealt a 26-12 loss. After scoring in the first quarter, the Eagles dominated the game, avoiding our defense and stopping our offense. It is to the Rangers' credit that they played a tremendous game from beginning to end, to close out the 1964 Ranger football season.

### 1964-65 JESUIT RANGERS

The 1964-65 Ranger roundballers enjoyed one of their most successful seasons. Led by Captains Taliaferro and Browning, the Rangers stormed to the consolation championship in the Garland Tournament, the championship in the K.C. Tournament, and the runners-up berth in the TCIL State Tournament. In gaining a spot in the tournament the Rangers compiled a 6-0 district record and then defeated Cathedral of El Paso to enter the finals. Jesuit wound up the season 29-6 and placed four out of five starters on the All-State team. Captain Woody Taliaferro became the first Ranger to ever score over 1000 points and was named to the *Dallas Times Herald* All-Metro team.

**CURRICULUM**

**1965**

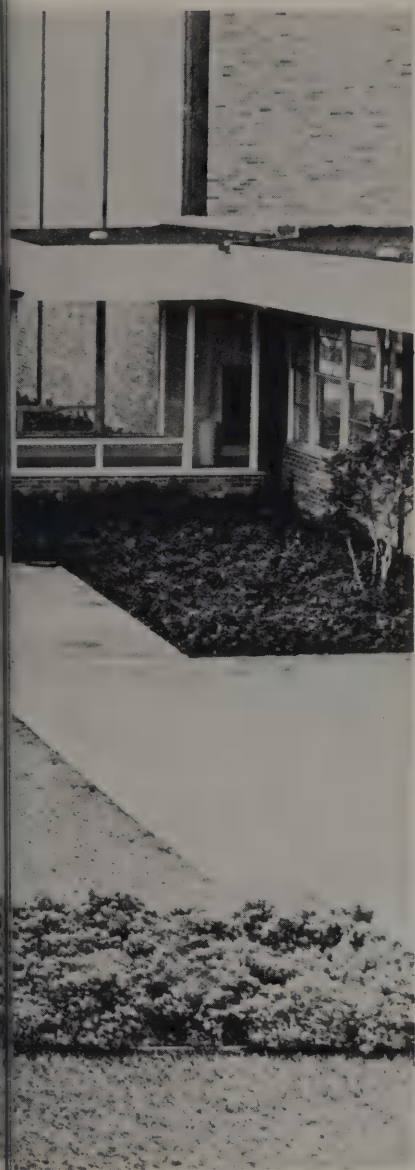

Most of the education time at Jesuit is spent in the classroom. It is to bring this facet of school life to the foreground that the *Last Roundup* this year inaugurates a Curriculum Section in which we chronicle the various departments of learning at Jesuit, and recognize the instructors who make the departments what they are.

Under the direction of Mr. Frank Dowling, S.J., the English Department stressed new methods and new modes in the English course. A new Science Research Associates creative writing course for juniors and seniors uses the overhead projectors. About 120 students participated in the film seminar, a twelve-week Project in which they saw and discussed eight of the great movies of all times.

## English

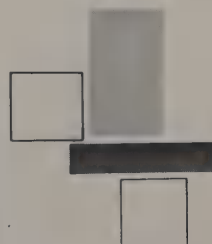

*Sitting:* Mr. Jerome Neyrey, S.J., Mr. Francis Renfroe, S.J., Mr. Gerald Fagin, S.J. *Standing:* Mr. Frank Dowling, S.J., Mr. Albert Mills, S.J., Mr. Peter Hilton, S.J., Mr. Jack Oster, S.J.

Mr. Gerald Fagin, S.J., headed the Language Department which provided students with a thorough background in both the classical and the modern languages. With Mr. Francis Renfroe, S.J., in charge of the language lab and using the Berlitz lab manuals and Pathescope filmstrips, the students became more adept in the art of communication in Spanish.

## Languages

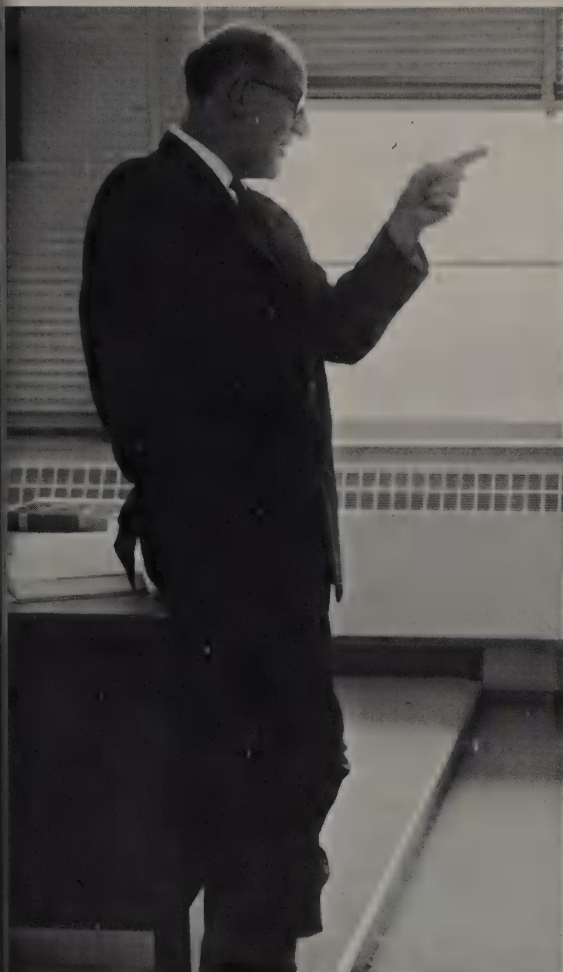

Mr. Patrick Hunter, S.J., Mr. Gerald Fagin, S.J., Mr. Numa Rousseve, S.J.

Appearing for the first time as a five-days-a-week credit course, the Speech Department, under the direction of Mr. Patrick Hunter, S.J., imparted to the freshmen and juniors the knowledge of the social responsibilities of speech and emphasized the psychology of speech in today's world. The course textbooks are written by members of the Speech Department of Northwestern University, one of the top speech schools in the country.

## Speech

Rev. James Balint, Rev. Cyril Miesch, S.J., Rev. Nicholas Schiro, S.J., Rev. William Underhill, S.J., Rev. C. Earl Johnson, S.J., Rev. Robert Miller, S.J., Rev. Albert Levet, S.J. Not in picture: Rev. John Driscoll, S.J.

The school year 1964-65 brought to fulfillment the institution of a new Religion course at Jesuit. Under the direction of Father William Underhill, S.J., the new Novak Religion book series was utilized. While thoroughly covering such aspects of the Catholic faith as Church history and the liturgy, the new course also gives the student the opportunity to become more personally involved in what he studies, and to apply it to his daily life.

## Religion

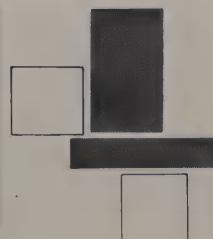

Mr. Jack Eifert, Mr. Dave Stevens, Mr. Patrick Hunter S.J., Mr. John Finn

Introducing two new courses and revamping another one in one short year is no mean feat, but Mr. Jack Eifert and the social studies instructors accomplished it. Economics and Latin-American History were added to the curriculum, and the Sociology classes of Mr. Patrick Hunter, S.J., introduced the students to the fascinating world of social relationships.

## Social Studies

Rev. Julius May, S.J., Mr. Edward Buvens, S.J., Mr. Richard Stoltz, S.J.

Chemistry was the focal point of interest in the Science Department this year, as Father Julius May, S.J., and his colleagues introduced the new Chemical Bond Approach textbook, and made use of motion pictures and other visual aids to give the students a complete picture of the complex fields of Physical Science, Chemistry, and Physics.

## Science

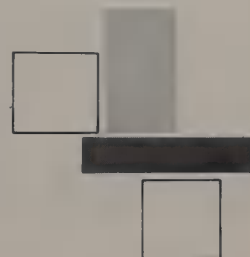

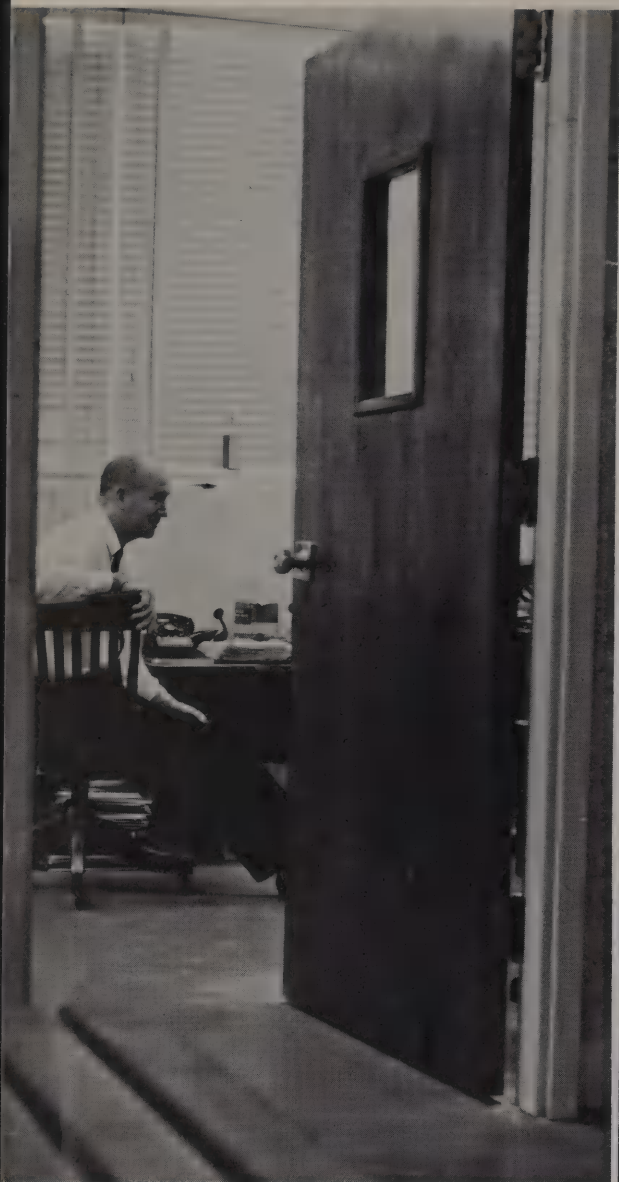

Mr. William Robertson, Mr. Gary Pasqua, Mr. Gordon Taylor, Rev. Cyril Miesch, S.J., Mr. James Bloomer.

The mathematical concepts and the ability to apply these ideas to actual cases are two of the major aims of the Mathematics Department. Father C. C. Miesch, S.J., is the chairman of the department, and in this capacity, he has directed the efforts of all the instructors toward giving the students a mathematical viewpoint. A new addition to the mathematics curriculum is a course in Matrix Algebra. Other courses such as Elementary Functions and Analytic Geometry broaden the students' horizon in the art of mathematical thinking.

MR. JAMES WALSH

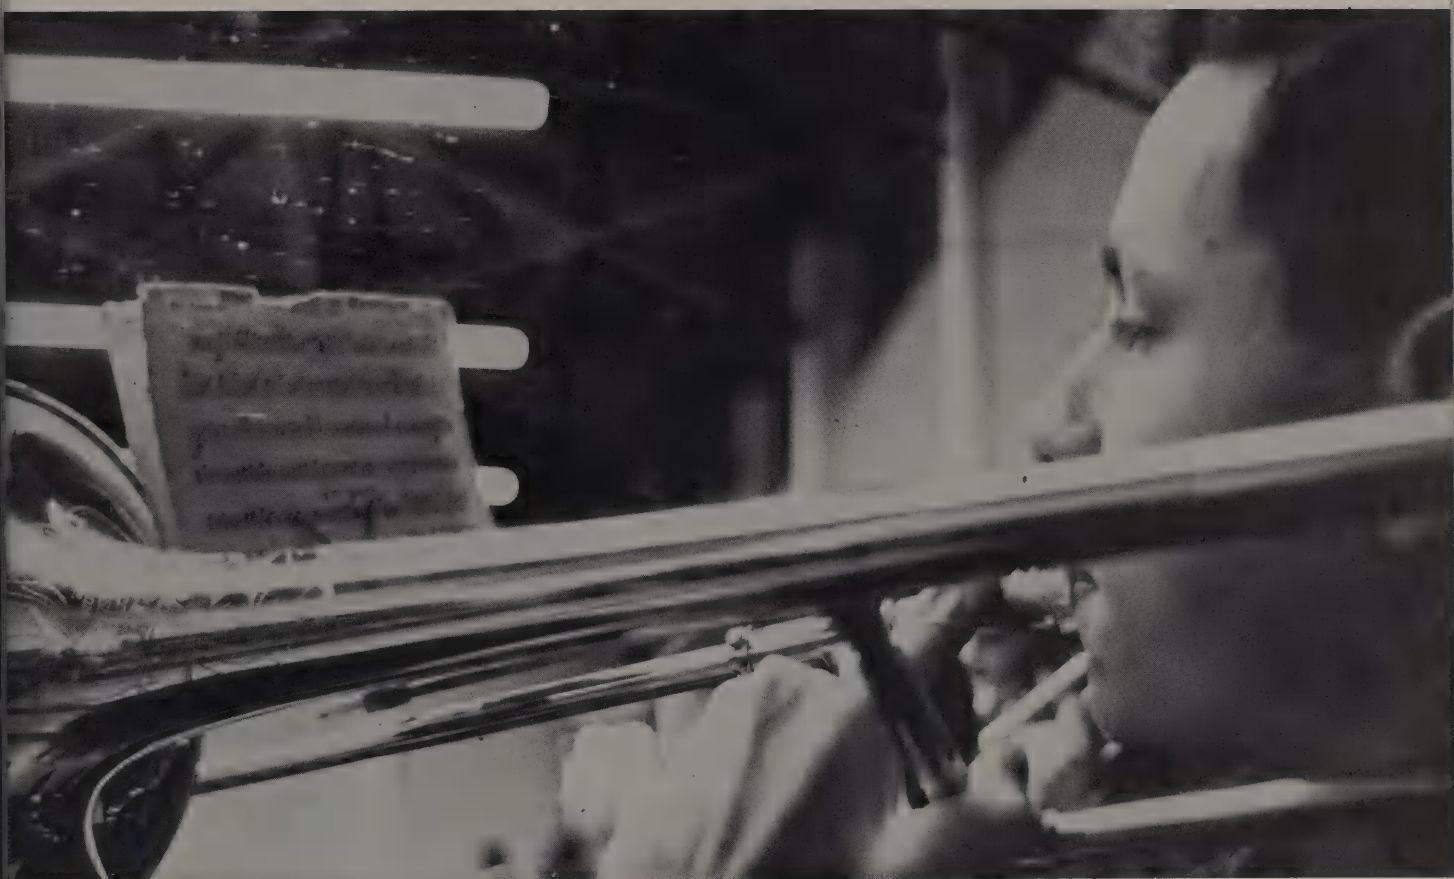

MR. RUFÉ BREWTON

Coach Jim Walsh heads the Physical Education Department, conducted in co-ordination with the President's Council on Youth Fitness. This year at Jesuit, those students who have excelled by making satisfactory grades on the Physical Fitness tests have been presented with a special shirt signifying them as having achieved athletic excellence. The large number of shirts given is due no doubt to the superb facilities for physical training available to all students here at Jesuit. With a modern gymnastics room, the multiple handball courts, the gymnasium, and a program of sports and exercises keyed to the season of the year the students have ample opportunity to develop the physical side of their lives here at Jesuit.

## Physical Education

In addition to the numerous public appearances the Band makes each year, Mr. William Schuster also teaches many Band classes here as a credit course. The band learns many selections to fully develop their skill at making music.

BROTHER ROBERT MOCK, S.J.  
*Building Engineer*

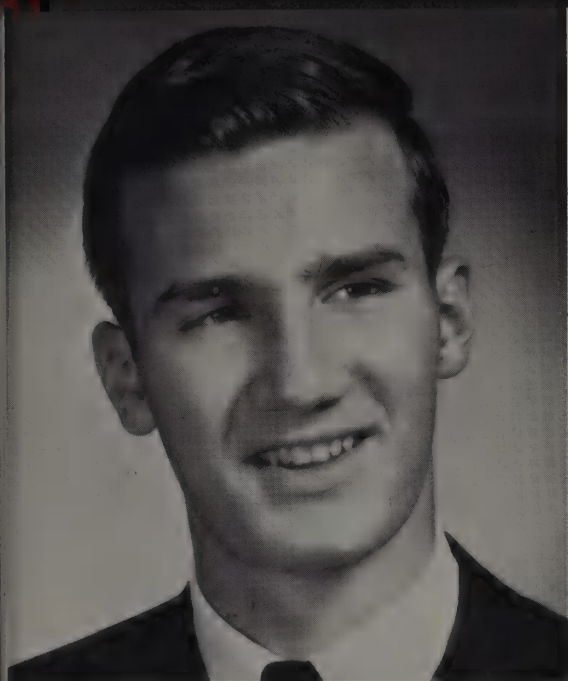

BROTHER LEO COLLISON, S.J.  
*Sacristan*

Two important people in the operation of Jesuit High School are Brother Robert Mock, S. J., and Brother Leo Collison, S. J. Brother Mock heads up the maintenance work around the school while Brother Collison prepares the Student Chapel and the house chapels everyday for Mass. Although both seem to stay out of the eye of the school, their presence is felt daily.
